I saw Mr. Dunning's letter of 10/6/04 regarding the matter. It is clear that no important cases have been detected of the smuggling party. The detection of a case of smuggling of two bottles of illicit liquor is due to the execution of the Excise Inspectors. No conspiratorial statement.

Proceedings No $\frac{670}{23}$ dated 18th July 1903

Sanctioning the retention till

over illicit distillation of Arrack within the limits of the Kolar Gold Fields. The scene of action has now been shifted to places on the other side of our frontier and the liquor is stealthily introduced into the fields.

Only on the night of the 28th ultimo, a man was caught smuggling arrack illicitly distilled in British Territories and it is the second case during this quarter and the fourth in the year. Our Excise Officers are in communication with their brother officers in the North Arcot District in view to the capture of unauthorized arrack manufacturers there.

3 On the night of the 10th instant some persons were caught by the Patrol party in the very act of distilling arrack near ^a the village in the

3
Inaler Taluk not far from
the Kolar Gold Fields. This
is the Second Case in the
year. The first case was
detected by the Police of the
Kolar Gold Fields in their
attempt to find stolen gold.

4 From the above it will
be observed that in the
interests of the larger revenue
from Excise in the Bowring
Taluk, a vigilant watch over
these illicit distillers is
necessary and the non
discovery of large number
of serious cases is not a proof
of their extinction.

5 As the Establishment in
question is indispensable
and as yearly Sanction would
affect its continued action
I beg that it may be Sanctioned
for two years more.

of the party up to the end of January 1904, he was reduced and transferred by the Excise Commissioner and Assistant Director Abde Aziz was sent in his place in February 1904. During the four months he has been in charge, he personally took up a case of what at first, appeared to be one of "smuggling" but which eventually, turned out to be one of diluted liquor. Subsequently on the 28th of May two members of the patrol party one of whom Ramappa is a Village Headman of Anniana Agrahara bordering on Mysore Territory and who had been made a confidential informant by Director Rajendram Pillay took up a case of smuggling of two bottles of illicitly distilled liquor in which the Magistrate convicted the accused and sentenced him to one month's rigorous imprisonment.
